"Spirit of the Wildcats"

Dear Fellow Music Educators,

Livingston Academy is proudly hosting the Twin Lakes Small Band Marching Exhibition on September 20th, 2008. **This is a non-competitive event.** This event is designed to give small bands in the area a chance to perform their show and receive quality comments from judges prior to their first competition. We hope that you and your students will participate in this endeavor. Our start time is 10:00 a.m. and the order will be determined randomly with special consideration given to bands that have time restraints. There will be no fee for this event. **All that we ask is that you and your band come hungry and generously partake of our concession stand.** Each band will have a maximum of 30 minutes on the field to include the clinic session (comments to help your band). Please let us know if you are interested and if there are any questions we can answer for you about this event.

Please mark this date on your calendar and plan to attend in September. There will be a concessions stand open all day. There is no admission to come and watch this event for your parents and supporters and there is plenty of parking. **Please try and have your band there for the whole event to help support and watch the other bands participating.** A tentative schedule of performance times and directions are enclosed. If you need clarification or any additional information please feel free to call.

P.S. – This event will be videoed and shown on Livingston's Local TV station. If you wish your band not to be videoed just let me know.

Sincerely,

Josh W. Trent

LA Band Director
